

WAQFOREVER

100% Donation Policy

Version 1.0
January 2024

At Waqforever, we are committed to ensuring that **100% of your donation reaches your chosen cause**. We achieve this through a meticulous financial structure that maximises impact while minimising administrative costs.

How We Maintain a 100% Donation Policy

1. Gift Aid Maximisation

We claim **Gift Aid** from the UK government, which allows us to increase eligible donations by **25% at no extra cost to donors**. This additional funding helps us cover essential administrative expenses, ensuring that every penny of your donation goes directly to those in need.

2. Transparent Financial Management

At the end of each financial year, our **chartered charity accountant** conducts a full audit, ensuring complete transparency and accountability. Every expense is meticulously reviewed, and we ensure that **Gift Aid reimbursements match all covered costs**, allowing us to sustain a zero-deduction donation model.

3. Volunteer-Led Charity

Our entire Waqforever team operates on a **volunteer basis**, meaning **no one takes a salary**. This dramatically reduces administrative expenses, allowing us to allocate every donated pound effectively.

4. Minimal Administrative Costs

While we strive to eliminate overhead costs, some unavoidable expenses remain. These include:

- **Card payment processing fees** (charged by payment providers)
- **Charity registration and compliance subscriptions**
- **Annual accounting and auditing fees**

Thanks to **Gift Aid funding**, these expenses are fully covered without deducting from donor contributions.

Commitment to Transparency

We uphold the highest standards of integrity. Our financial reports and donation impact statements are made available via the UK Charity Commission website to ensure full transparency.

Your generosity is making a real difference. **Every penny of your donation is working to serve those in need.**

Thank you for trusting Waqforever.
